

Company Name: DataSoft Inc.

Fiscal Year: 2020

Revenue: \$12.5 million

Net Profit: \$2.1 million

Expenses: \$10.4 million

DataSoft Inc. reported strong growth in FY2020. The company generated a total revenue of \$12.5 million, which marks a 15% increase from FY2019. Operating expenses remained consistent at \$10.4 million, resulting in a net profit of \$2.1 million. The growth was largely attributed to their new AI services division.
